DETAILED ACTION

The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

An amendment which was not considered under a 312 amendment is an invalid error under reissue practice.

Claims 1, 3-5, and 7-9 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

Note to the Applicant. The parent application has been reviewed, and Information Disclosure Statement submitted after the Notice of Allowance is in the file. However, there is no copy of the 312 amendment as stated by the Applicant. Further, there is nothing on the front of the parent application denoting a 312 amendment. The Examiner requests the Applicant is submit a copy of the original 312 amendment which was sent after the Notice of Allowance. Lastly, the Examiner has received the original Letters Patent for this case and it is being attached to the file.
